THE WESTLANDS SCHOOL

Family Learning is a fun way for the whole family to learn together and Family Learning at The Westlands School is FREE! Parents and other family members of any pupil or student at the school are very welcome to attend.

Two courses have just started, one in archery and one in computer animation, but anyone new is still very welcome to come along. You don't need to know anything about computers or archery to take part. You don't need to be an artist or be a fit sports person. Archery runs Tuesday evening and Animation on Wednesday evening.

We also hope to start the following classes in the very near future

- Salsa Dancing
- Bricklaying
- The Body (how it works, why it sometimes doesn't and looking after it)
- Indian Cookery
- The Finance of Buying and Letting Property
- An Introduction to Handling Small Animals

To find out more about these courses please e-mail Mr Willis on [jow@westlands.kent.sch.uk](mailto:jow@westlands.kent.sch.uk) or telephone the school office on 01795 477475 and leave a message.

Alternatively, complete the tear off slip below and ask your child to give it to their Tutor. We can only offer these courses if we know we have sufficient numbers so please get in touch as quickly as possible.

If there is any other course you would like us to offer please let us know and we will do the best we can to help.
