

# Provider Access Policy Statement

## Equalities Statement

In our Trust we work to ensure that there is equality of opportunity for all members of our community who hold a range of protected characteristics as defined by the Equality Act 2010, as well as having regard to other factors which have the potential to cause inequality, such as socio-economic factors. For further information, please see our Equalities Statement.

This Policy includes reference to The Department of Education, July 2021: “Baker Clause” and the Provider Access Legislation, January 2023

## **1. Rationale**

High quality careers education and guidance in school or college is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

## **2. Commitment**

Westlands School is committed to ensuring there is an opportunity for a range of education and training providers to access students, for the purpose of informing them about approved technical education qualifications and apprenticeships. Westlands School is fully aware of the responsibility to set students on the path that will secure the best outcome which will enable them to progress in education and work and give employers the highly skilled people they need. That means acting impartially, in line with the statutory duty, and not showing bias towards any route, be that academic or technical.

Westlands School endeavours to ensure that all students are aware of all routes to higher skills and are able to access information on technical options and apprenticeships (The Department of Education, July 2021: "Baker Clause": supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023).

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## **3. Development**

This policy has been developed and is reviewed annually by the Careers Leader and Line Manager based on current good practice guidelines published by the Department for Education.

## **4. Monitoring review and evaluation**

The Policy is monitored and evaluated annually via the Trust Executive Leadership Team.

## **5. Pupil entitlement**

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### **5.1 All pupils in years 8 to 13 are entitled:**

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and

- taster events;
- to understand how to make applications for the full range of academic and technical courses.

**5.2 For pupils of compulsory school age these encounters are mandatory and there will be a minimum of:**

- two encounters for pupils during the 'first key phase' (year 8 to 9) and
- two encounters for pupils during the 'second key phase' (year 10 to 11).

**For pupils in the 'third key phase' (year 12 to 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers;
- explain what career routes those options could lead to;
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider);
- answer questions from pupils.

## **6. Meaningful provider encounters**

One encounter is defined as one meeting/session between pupils and one provider.

We are committed to providing meaningful encounters to all pupils using the [Making it meaningful checklist](#).

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

### **Previous providers**

In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- *Knauf; MidKent College; EKC Canterbury College University of Greenwich; BAE Systems; ASK Programme (delivered by CXK) - see Appendix for others.*

### **Destinations of our pupils**

Last year our year 11 pupils moved to range of providers in the local area after school:

- *MidKent College; Canterbury College; KITE College; wide range of other sixth forms; wide range of apprenticeships - see Appendix for others.*

Last year our year 13 pupils moved to range of providers in the local area after school:

- *University of Kent; Canterbury Christ Church University; wide range of apprenticeships - various levels (Kent Police; Arkus Refrigeration; Barretts of Canterbury and many more); employment (Hornby; HM Prison Service; Keylon interiors; Touch Tech and many more) - see Appendix for others.*

## 7. Management of provider access requests

### 7.1 Procedure

Requests for access in the first instance should be directed to Adam Gregory, Careers Advisor. Adam Gregory] may be contacted by telephone or email, (01795 477475 adam.gregory@swale.at) Alternatively, contact can also be made to Peter Humphries who may be contacted by telephone or email, (01795 477475 peter.humphries@swale.at).

### 7.2 Details of premises or facilities to be provided to a person who is given access

Westlands School will provide an appropriate room or assembly hall. The room or hall will have digital access. The Careers Team will work closely with the provider to ensure the facilities are appropriate to the audience. Appropriate safeguarding checks will be carried out. Providers will be met and supervised by a member of the Careers Team who will facilitate.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school for the attention of the careers team.

### 7.3 Opportunities for access (see table below)

The school offers the **six provider encounters required by law (marked in bold text)** and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.
